Accessible Housing Association Inc.

September 2017

Social connection program to the community on Wednesdays in which people are invited to a free Indigenous arts session to connect with other people and service providers in the community with a free lunch and morning tea. Sounds great!

A little reminder to all our lovely tenants... If you are going to be away for more than 2 weeks, say on holiday or something of that nature, to inform your Tenancy Officer or a staff member at Accessible Housing so we can make sure we have a next of kin or alternative person to be able to contact during your absence!
